

TD 4 : Exercises

-Listen and Rewrite the sentences using note-taking methods (abbreviations, symbols...)

We hear....	We note.
"In 1804, Napoleon decides to suppress opposition newspapers, have articles checked, and threatens press directors to cease publication if they offend the regime."	
On the very day of the new year in 1930, the US government decides to increase tariffs on imported foreign products by 33.33% within the territory of the United States.	
The Crusades spanned a long period from 1096 to 1291. Despite the conflicts, massacres, and atrocities perpetrated on both sides, they facilitated numerous cultural and economic exchanges between the East and the West.	
"Throughout history, China has been the most populous country on the planet. Historians estimate that from the beginning of antiquity, one in five humans was Chinese. This proportion has remained remarkably stable since then. Today, the 1.3 billion Chinese alone represent approximately 21.2% of humanity."	
The diameter of the Earth is four times greater than the diameter of the Moon	
The global population has significantly increased over the last fifty years, leading to severe economic crises."	
It's challenging to predict the Earth's climate future, but researchers have some certainties. In 100 years, the climate will change. The temperature will increase by 1.4 to 5.8 degrees. Precipitation will become more frequent and intense. Sea levels will rise.
