**Learning Objective:** By the end of this course, learners will be able to identify, form, and use superlative adjectives effectively in speaking and writing.

1. **Superlative adjectives** are used to compare three or more people, places, things, or ideas. They show the highest or lowest degree of a quality.

- Example: *Mount Everest is the tallest mountain in the world.*
- 
- They are often preceded by the definite article "**the**".
  - Example: *This is the best cake I've ever eaten.*

### 2. How to Form Superlative Adjectives

#### 1. For Short Adjectives (One or Two Syllables):

- Add **-est** to the adjective.
- Examples:
  - *small* → *smallest*
  - *fast* → *fastest*
  - *tall* → *tallest*

2.

#### 2-For Long Adjectives (Three or More Syllables):

- Use **the most** before the adjective.
- Examples:
  - *beautiful* → *the most beautiful*
  - *important* → *the most important*
  - *interesting* → *the most interesting*

#### 3. For Adjectives Ending in -y:

- Change **-y** to **-i** and add **-est**.
- Examples:
  - *happy* → *the happiest*
  - *busy* → *the busiest*

#### 4. For Adjectives Ending in a Consonant + Vowel + Consonant:

- Double the final consonant and add **-est**.
- Examples:
  - *big* → *the biggest*
  - *hot* → *the hottest*

#### 5. Irregular Adjectives:

- Some adjectives form their superlative in irregular ways.
- 
- Examples:
  - *good* → *the best*

- *bad* → *the worst*
- *far* → *the farthest/the furthest*
